GLORIFIER IN GOOD FORM.

**METROPOLITAN HANDICAP WINNER
DEFEATS OPPONENTS IN CANTER.**

**Rural Boy Is Overlooked Again—Juggler
Runs a Fast Race—Two-Year-Old
Sprint to Shone.**

New Orleans, La., January 2.—Burlew & O'Neill's Juggler showed a return to his best form today by winning the handicap at a mile and a furlong in the easiest possible manner from Old Honesty and three other good performers. His performance was made more meritorious by his running the distance in 1:53½, the fastest time made here since the season's racing began, and over a track that could not be considered really fast, as a fine misty rain had fallen intermittently up to the time of the race.

Burlew & O'Neill also enjoyed the distinction of having their baby racer, Shone, by Shapfell—Onega, returned the winner over thirteen other colts and geldings making their debut under colors. Shone was aided by good racing luck, which enabled him to have clear sailing and a slight advantage over the others from the start. Patriot, also favored, was the runner-up through the stretch and took second place from Roseburg II. The latter clearly showed that he was best and but for being knocked about would probably have been the victor. A jam at the start caused Sea Swell to be thrown. Maritz, the favorite, was also a sufferer from interference that destroyed his chance.

The steeplechase was won by Full of Fun, Flying Plover taking second place and Dulcian third. Aules stumbled after going over the second fence and Sobell, his rider, was considerably bruised and shaken up. After the finish the judges announced that McClure would not be allowed to accept any more mounts. McClure has been riding Full of Fun in all his recent races and his sudden good showing constituted sufficient grounds, in the estimation of the officials, to make the ruling they did.

Glorifier, at prohibitive odds made good in the fourth race in easy style, winning as his rider pleased. Teo Beach, a reputed Texas crack, proved much the best of the others and had no trouble taking second money.

Rural Boy repeated his previous good running and beat out a good band in the race.

The closing race went to Doubt, which escaped most of the crowding that occurred. The entire field was in a constant jam from the start and by good luck escaped more than one serious fall.

Jockey C. Baker was reported resting well tonight and physicians attending him are now sanguine of his ultimate recovery.

Glorifier was worked out a mile in the race he started in and covered the distance pulling up in 1:42½.

Gez Whiz' poor showing yesterday was explained by the fact that he was jumped on and badly cut on his hind legs.

The program book for the first fifteen days of the Tampa, Florida, meeting was distributed to horsemen this afternoon. The announcement was made that horses from the half-mile track here would not be welcomed at the Tampa track.

Jockey Christie was suspended for three days by the starter for disobedience at the post.

J. K. Hughes and E. R. Bradley were arrivals today. The latter came here from Chicago and the former from Texas.

J. Ross, who is at present handling the horses of T. C. McDowell, will shortly leave for Lexington, where he will become active in preparing the string which he intends to campaign next summer.

J. W. May said today that his filly, Marbles, was slowly recovering and would not be started again here during the remainder of the present racing season.

The weights for the Cosmopolitan Hotel Hurdle Handicap, at the distance of a mile and a quarter, and over five hurdles, to be run Saturday next, shows St. Volma installed in the post of honor, with 165 pounds to carry. The weights are gradually scaled down to 135 pounds, thirteen of the fifty-one entered being accorded this impost. St. Volma, despite his heavy weight, is thought to have a mortgage on the event, barring mishap. The probable starters will be St. Volma, 165; Buckman and Water Joy, each 163; Sam Hoffheimer, 155; Rip, 153; Killdoo, 153; Coal Black Lady, 148; Dunning, 145; Gold Circle, 141, and Full of Fun, 150.

LORD VIVIAN'S PROFITABLE DREAM.

The late Lord Vivian, who died at Ventnor in 1885, told the late Dr. Sinclair Coghill, who attended him, a quaint experience of the success of a dream on the eve of the City and Suburban of 1874, says English Horse and Hounds. Lord Vivian dreamed that a horse called The Teacher would win, and he determined to back it. On inquiring of Lord Rosebery he was told that no horse bearing that name was entered, but suddenly being told that an outsider was starting whose name was originally The Teacher, though it had been changed to Aldrich, Lord Vivian backed his fancy at long odds to win, and the outsider having carried off the race, Lord Vivian won a large amount.

TWO-YEAR-OLDS AT NEW ORLEANS.

**Promising Youngsters in the Stables of the
Leading Owners.**

New Orleans, La., January 1.—From now on until the end of the season the performances of the youngsters will give to local racing an added interest, more than usually so this season in view of the fact that nearly all the leading stables are pretty well filled up with young racing material. It is only a few years ago that the early racing of the juvenile brigade here was considered so much of an experiment that only a few purses and no stakes at all were offered for them, and the purses were sparsely scattered throughout the latter half of the meeting. Year by year it has been the more clearly demonstrated that youngsters put into early training here, and developed throughout the winter meetings, are more than able to hold their own against the competition of green baby racers, not only on the western circuit, but at the early spring meetings at Benning, Aqueduct, etc., and so owners of the metropolitan tracks, as well as those of the middle west, are beginning to regard New Orleans as a natural early training ground for the juvenile division.

An idea of the large number of two-year-olds here may be gleaned from the very liberal nominations to the stakes. At the Fair Grounds 78 are entered for the Premier Stakes, 91 for the Carnival, 64 for the Ladies', and 95 for the Rosebud. The National Stakes at City Park has 94 nominations, the Martha Washington 62, the Louisiana 90 and the Juvenile 87. The Juvenile, which is at three furlongs, will be the first two-year-old fixed event to be run for. It is scheduled for January 29. Beginning the first of the year, the programs at both tracks will contain an abundance of short dashes for the baby racers, although for the time being there may be some little difficulty in filling these races quite satisfactorily, as trainers, in their usual dilatory way of doing things, have been slow to claim names for their youngsters, and names must be claimed and registered by the Jockey Club before two-year-olds can be allowed to start.

While pretty nearly every owner here has one or more two-year-olds in his barn, the cream of them are, of course, to be found in the big stables. E. Corrigan, L. A. Cella, R. Tucker, Burlew & O'Neill, J. P. Mayberry, R. E. Watkins, J. H. McCormick, etc., all have so many likely youngsters that it will be strange indeed if three or four stake colts and fillies are not brought out here before the season ends. While a majority of these young things have been going through the routine of training gallops and schooling at the barrier, only the most forward ones have been sent along preparatory to starting in the early purses. L. A. Cella has one of the largest band of two-year-olds here. Fourteen of them are in training here, while the other seven are at Louisville. These youngsters were bought at the eastern yearling sales and they cost Mr. Cella a total of about \$40,000. Two of the highest priced ones, both of which are here, are a colt by Star Shoot and a colt by Sempronius. For the former \$6,500 was paid and for the latter \$4,500. The pick of Mr. Cella's youngsters are well entered in the eastern stake events.

There are three promising Cesarians in the Cella collection, a filly out of In Front, a colt out of Niola and another colt out of Fonsollette. A chestnut colt by Yankee, out of Halo is also a likely sort. To date this colt is said to have shown better trials than anything else in the barn. In the local stakes Mr. Cella is chiefly represented by ch. c. by Yankee—Halo; ch. c. by Nasturtium—Fertile, ch. c. by Cesarion—Niola, and ch. c. by Cesarion—In Front. It may be that pretty close to a high-class one will be found among these. Certainly after so liberal an expenditure for yearlings Mr. Cella ought to be entitled to some luck with his juvenile racers.

Mr. Corrigan's big kindergarten brigade are an even looking lot, not always considered a good sign by breeders, who like to see one or two in a big collection stand out by themselves. However, these youngsters are all well bred ones, are sizable and shapely, and a little later, when Mr. Corrigan begins to let them down for all they are worth, more than one speedy runner should materialize from the lot. At present these youngsters look as though they were not being hurried. Among the colts, Mr. Corrigan is represented in the stakes by b. c. by Brantome—Lucille Murphy; b. c. by Brantome—Edith, and b. c. by Scintillant II.—The Lady. In the Ladies' Stakes he is represented by the following fillies: Bay, by Marta Santa—Proclaim; bay, by Marta Santa—California; bay, by Marta Santa—Glenella II., and chestnut, by Marta Santa—Challie Howard. The colt out of The Lady is a speedy looking sort, and on breeding he ought to run fast, as both his sire and dam were speed marvels when in training.

J. H. McCormick has the following stake nominations: B. g. by Hastings—Belgravia; b. f. by Ben Brush—Veva; b. g. by Hastings—St. Eudora, and the chestnut filly, Glorifole, by Hastings—Glory. The Hastings youngsters were bred at the Nursery Stud. As these are all well-bred ones and as McCormick is one of the best judges of yearlings in the country, much may be expected of them. They have all been thoroughly schooled to the barrier and have worked about as well as any other youngsters here. Glorifole, the filly out of Glory (a full sister to Glorifier), though a bit undersized, is a typical racing machine. She is well-

HUGHES' MESSAGE EXCITES TURFMEN.

**Stiff Opposition Expected to Develop in the
New York Legislature.**

New York, January 2.—Governor Hughes' message is the subject of much comment, but conservative turfmen believe that racing will go even if a bill is passed against betting. Many think it will not be passed at all, as farmers will not take chances on giving up the tax from the tracks to the fairs. They do not believe that a \$200,000 appropriation would be made year after year for them and will fight the governor's idea strongly.

The Breeding Bureau has helped much up-state. But there will be a hard fight at Albany this winter. Senator McCarren will lead the fight for the race tracks. Poolroom men are jubilant, for the bill is made to order for them. An important meeting of the Jockey Club members will take place tomorrow. All this matter will be discussed as well as the date question.

Entries to the Coney Island Jockey Club's stakes are arriving fast and so far the Suburban has 27; Commonwealth 19; Advance 10; June Handicaps 40; Equality 27; Thistle 31; Swift 24; Spindrift, 20; Great Trial 47; Double Event 46; Zephyr 41; Spring 41; Vernal 47; Independence 24; Beacon 25; Introductory 24; Century 21; Flight 13; Flatbush 11; Great Eastern 12; Autumn 13.

For the Futurity of 1910 there have been received 778 nominations. The number of nominators to all stakes to date is ninety-eight.

UNWIELDY FIELDS AT SANTA ANITA.

**Renews Clamor for Walk-Up Starts—Chip-
pewa Wins in Fast Time.**

Los Angeles, Cal., January 2.—Jockey Dennison, who was badly hurt yesterday, is at the Clara Barton hospital resting easily. It was at first thought he had suffered concussion of the brain, but developments since the accident have disproved this. The staff physicians gave out the announce ment today that he will recover.

Secretary E. C. Smith gave the poor owners a chance today, three of the races being at five furlongs, and they filled to unwieldy proportions. The consequence was a card of poor quality and its decision devoid of interest.

The unmanageable actions of the horses at the post and irksome delays resulting therefrom has given a new impetus to the talk for the walk-up system of starting, which some horsemen claim should be in vogue here. The standing starts will never be popular here and are often the cause of much grumbling and adverse criticism among horsemen.

R. F. Carman will ship Magazine to Oakland to start in the Pollansbee Handicap.

Nineteen books were on today, but the betting was comparatively light.

Ed Gaines arrived today from New York and will remain for some time.

KRAUS TWO-YEAR-OLDS.

New York, January 2.—There are nine two-year-olds belonging to Mr. Kraus in trainer J. Smith's hands at Gravesend. Smith formerly trained the stable of J. L. Holland. The lot is most healthy and promising and the named individuals in it are:

Adelaide K., ch. f. by Diuodonne—Quadress.
Boots D., b. c. by Bassettlaw—Minona.
Bowery Lass, br. f. by St. Simonian—Lindelette.
Century Boy, b. c. by St. Simonian—Labiche.
Flower Cup, b. c. by Nasturtium—Handy Cup.
Miss Prim, b. f. by Gerolstein—Primeval.
Never Late, ch. c. by Shapfell—Jantfina.
Pepperwince, b. c. by Pepper—Tillie Wince.
Saratoga Chips, b. c. by Goldfinch—Luetta.

The Goldfinch colt is out of the dam of Walter Miller, which ran well a little last spring. This colt is put up on heavy racing lines all over. He is entered in the National Stallion.

The Nasturtium colt, Flower Cup, has well-set body and quarters on good, short legs. He is sure to be a useful sort and will come to hand early.

Never Late shows fair racing points, a good shoulder, a bit light in the barrel, but very good quarters. His ankles are a bit on the mushy order.

It would be hard to pick a weak spot in the big bay colt by St. Simonian—Labiche. He shows strength and quality everywhere and his trial last fall was fast.

Pepperwince hasn't as much size as some of the others, but is well put together.

The Bassettlaw colt is evenly made, has a sensible looking head, strong neck and shoulders, shows good depth through the girth and splendid hind legs well set under him. He stands 15.2 with his plates on.

Adelaide K. is a racy looking chestnut, has fine size, extra heavy in her make-up for a filly and worked a trial last fall of a quarter in 23½ seconds. The Gerolstein filly, Miss Prim, though not standing above 14.3 hands, has a smart, racy look.

The older horses in the Kraus barn are all in good winter condition and have been working every day. Robador, George Considine, Citizen, Toplitza and Mombassa make up the string. Mombassa was bought at the Whitney dispersal sale, is wintering well and looks as though she would make a fair race mare the coming season.

POOR FIELDS AT OAKLAND.

**DRYING AND STIFFENING TRACK
KEEPS GOOD HORSES IN STALLS.**

**Big Offer for a Two-Year-Old—President
Williams Loses a Horse Through
a Run-up.**

Oakland, Cal., January 2.—Emil Herz made the first big tender this season for a thoroughbred racer, when he offered \$7,500 for Lee Rose, the strapping big St. Avonicus—Lavena C. gelding that won the first juvenile race of the year in such commanding style on New Year's day. O. A. Bianchi, better known on the turf as "Daggie Smith," is the fortunate owner and developer of this promising youngster, and will not sell his colt for less than \$10,000.

Herz is having a very prosperous season on the local turf and is well able financially to go into racing again on a big scale if he so desires. It is thought that Lee Rose will change hands within the next twenty-four hours, as there are several intending purchasers of the youngster.

The drying-out process has commenced under the present spell of good weather, and the track is steadily growing slower and more deceptive. Still, the very moderate class horses engaged during the afternoon ran fairly true to form, favorites and outsiders sharing equally in the racing honors. One of the interesting incidents that cropped up during the racing was the \$100 boost of Thomas H. Williams' colt, Huerfano, by Al Coney, and the subsequent letting go of the winner for \$800. Tawasentha was claimed out of the second race by C. Helfers for \$925. His own horse, Sam Barber, the winner, had previously been bid up from \$600 to \$900, and bought by A. Martinez, his former owner.

Jake Holtman will replace Dwyer as starter at Oakland next Monday.

J. O. Keene has shipped Red Leaf and Clamor, his two Burns Handicap eligibles, to Santa Anita, where they will receive their preparation for the big \$10,000 race.

BELMONT'S STABLE IN ENGLAND.

August Belmont has a string of eleven horses in training at Newmarket to carry his colors in France and England for the season of 1908. Of this lot six are now two-year-olds sent over last year, and the others have raced over the English courses since being sent across.

The string is being trained by J. Watson and is in the Palace Stable of Leopold de Rothschild. The only horse older than three years that is in active preparation for the coming season is Lord Hastings, a five-year-old gelding by Hastings—Lady Violet, and accordingly brother to Lord of the Vale. Four three-year-olds are in the stable. Norman III. and Crossbar and their performances have been noted in Daily Racing Form. The two others are Historic and Dame Beauty. Historic is a chestnut filly by Octagon—Donna Henrietta, and Dame Beauty is a full-sister to Beldame, being by Octagon—Bella Donna. Of this pair Dame Beauty is the favored one so far as engagements are concerned. She is named in the Derby, St. Leger, Grand Prix, the Oaks and the Eclipse of 1909. Historic has an engagement in the Oaks.

Four colts and two fillies make up the list of two-year-olds that completes the string. It has been the custom of Mr. Belmont to select a half dozen of the Nursery bred youngsters each year to represent him in England, and for 1908 the lot is a promising one. The colts are Solicitor IV., a son of Hastings—Selina D.; Laconian, a bay son of Octagon—Lack-a-Daisy; Rhombus, a chestnut son of Octagon—Lady Rayon, and Bay Tree, a bay son of Collar—Black Poplar. This last-named one is a half-brother to Black Oak, the colt imported by Mr. Belmont when Rock Sand was brought over for the Nursery Stud.

The fillies are Tarpaulin II., a bay by Hastings—Tarpeia, and Sumach, a brown daughter of Hastings—Souveraine.

TURF AND PUBLIC IN AUSTRALIA.

The fact of being able to risk some money on it gives to a horse race a personal element that is lacking to any other sport, says the Australasian. Thus the Melbourne Cup flourishes, while in other games the public fancy ebbs and flows. It is the element of personal excitement derivable from betting that makes the turf what it is, for, to quote the American humorist, Mr. Dooley, "If it wasn't for the betting, there would be more people at one of Ibsen's plays than at a horse race."

The turf in Australia is in a somewhat unique position. In England horse racing is a sport for the rich, and the multitude that follow it do so under conditions of discomfort that would not be tolerated here for a moment. In America horse racing is a business; on the continent a race day is merely an excuse for a picnic.

But in Australia democracy has made the race course its own, and the gentlemen and sportsmen who own the animals competing are looked upon merely as trustees for the public, and any breach of trust is resented by vociferous booings, often enough unfairly bestowed.

TWO-YEAR-OLDS AT NEW ORLEANS.

(Continued from first page.)

mannered and well broken, elements that count in early racing. She is fast, too, and is likely to be heard from in short dashes for the fillies. In the old days McCormick raced her dam also bred at the Nursery Stud, so that it is easy to imagine that this filly has a high place in the regard of the veteran eastern trainer.

Burlew & O'Neill are the largest nominators to the stakes, their leading representatives, all of them named, being as follows: Gala, ch. f., by Fatherless—Boidie; Sorry, ch. f., by Gold Heifer; Penthouse, Shone, ch. f., by Sain—Belle; Misfortune, blk. g., by Fatherless—Meta Russell; Musical Man, br. c., by Meadowthorpe—Nocturn; Sparkling Drop, br. c., by Watercolor—Diminutive; Lady Vassar, br. f., by Sir Dixon—Vassari; Brougham, br. g., by Blues—Barouche; Molly Stark, blk. f., by Sandringham—Semper Paratus. These are a well-grown, well-bred, good-looking lot, and as far as appearance go the "B" & "O" stable ought to cut considerable figure in the decision of the two-year-old stakes here. Some of these juveniles have not as yet shown enough in public to enable one to form a very accurate opinion as to their individual merits. Brougham, the gelding by Blues—Barouche, is a likely sort, and is bred well enough to be a good one, as his dam was a high-class race mare and will be remembered as having raced in the colors of the Lexington turfman, W. H. McKorkle.

George C. Bennett, the Memphis breeder and owner, is a liberal stake nominator, most of his youngsters being by King's Counsel, Intrusive and Lucky Dog. Like Mr. Corrigan, Mr. Cella and some other owners, Mr. Bennett has been slow about naming his juveniles, or at least the registry department of the Jockey Club has been slow in passing upon names claimed, so that these two-year-olds may not be seen out in the early races. W. H. Fizer & Co. have but few stake nominations, the leading stable representatives being Ruth K., ch. f., by Ormus—Sewing Girl; Lightning Flash, ch. f., by Handcuff—Lennie F., and Bessie Trent; ch. f., by Handcuff—Lazare. These are not remarkable for fashionable breeding, but are fair looking youngsters. C. R. Ellison this year has but few stake entries, as he was not so large a purchaser of youthful material last year as previously. Among his nominations are a chestnut filly, by Pirate of Penzance—Lady Inez, and a chestnut filly, by Mazagan—Sallie of Navarre.

Barney Schreiber is to the fore with some promising Woodlands-bred ones. These are a bay colt, by Sain—Appollonia; chestnut gelding, Servience, by Service—Innocence; brown filly, by Sain—Belle Ward; bay filly, by Sain—Highland, and bay filly, by Sain—Liberty Star. It is reasonably certain that one or more of these will turn out to be good ones. One of the best-tried youngsters here is the bay colt, Maritza, in R. Tucker's string, by Nasturtium—Merrily. Enough of the juveniles have been sent through their paces at a fast clip to give promise of keen contests in the two-year-old races that will come on before the decision of the stakes.

VANDERBILT'S FRENCH STUD FARM.

Great Things Hoped for from the Progeny of Prestige and Maintenon.

The French correspondent of London Sporting Life, writing of Mr. W. K. Vanderbilt's Haras de Villebon, near Poissy, France, mentions the fact that the recent English purchases have arrived safely at the farm. The breeders now there are forty-five in number. There are five sires at Villebon. At the commencement, Mr. Vanderbilt relied for the nucleus of his stud on the mares he brought from the United States, among them being Ella Pinkerton, Electric Lights, Hattie (by Hanover), Louise N. (by Luke Blackburn), and Exilona (by Exile, out of Hop, by Harry of the West). His first stallion, Ellsmere, by Hanover, out of Ella Pinkerton, was born at Villebon in 1899. It will be remembered that the late Mr. Macdonald, who was killed in the Salisbury railway accident, was at the time the director of Mr. Vanderbilt's stud farm and manager of his racing stable in France. He bought two French stallions, Alpha (by Frigon) and Turemore (by Le Hardy), but neither so far has shown anything of great note.

Last year, however, two young horses of high promise were withdrawn from the turf and sent to Villebon. These are Prestige and Maintenon. It may be said at once that most sanguine hopes for the future are reposed in this pair and it is especially for them that the recent acquisitions have been made in England. It is claimed with some show of reason that Prestige is the best horse

foaled in France since Gladiateur, and his career on the turf was particularly brilliant. Maintenon is a big-framed horse that came to hand late, and some of his achievements as a three-year-old will bear close examination. He is by Le Sagittaire, out of Marcia, by Marden, and with such a pedigree he is just the stamp of horse to distinguish himself at the stud.

Prestige began his duties this season, the mares that he served being Hattie, Exilona, Golden Diana (by Bend Or), Louise N., Buella (by Bramble), Sainte Catherine, Haratine II. (by Hanover), Dido (by Stuart), Fire Slight (by Isinglass), and Salambo. Maintenon has also been given a few mares, these including Frederica (by Frigon), Nettie (by The Bard), and Clatterfoot (by Strathmore). We shall look forward with great interest to the result of these unions. With the new blood that Mr. Vanderbilt has now introduced at Villebon, he should add to his turf triumphs very materially in the near future.

His horses at present in training number about fifty, and are under the charge of the American trainer, William Duke, at Saint-Louis-de-Poissy. George Bellhouse is first jockey to the stable. There are no old horses of any note, but the two-year-olds that are likely to do well next year as three-year-olds are Northeast, by Perth, out of Nordenfeld; Foresight, by Halma, out of First Sight; Schurley, by Medley, out of Louise N.; and Gambaiscull, by Saint Damien, out of Gracieuse. The juveniles are a very fine lot, principally by Halma and Illinois II. In some of these it is to be hoped Mr. Vanderbilt will find consolation, and also compensation, for the misfortune that compelled him to withdraw Prestige and Maintenon from the turf at the height of their all-conquering careers. I think his stable will be worth following next season.

W. K. Vanderbilt has no fewer than eighteen eligibles to the Grand Prix of 1908. Schurley is one of the most promising. This colt is also in the Eclipse Stakes at Sandown.

HILDRETH'S DEAL WITH DUGAN.

The agreement by which E. Dugan rides for Sam Hildreth this winter is a peculiar one. There was no transfer of the contract on the boy and no financial consideration in the matter, the arrangement simply being that Hildreth is to pay Dugan for his services and to pay his expenses. Hildreth is in exactly the same position as regards the crack lightweight rider for the winter season as is H. P. Whitney for next year—he has first call on his services. The report that Whitney had bought the contract on the boy for a reported price of \$15,000 is not correct, Durnell says. The million-dollar New York turfman has nothing more than first call on little Dugan for the coming season. Hildreth will have him until April 1, when, after a brief stay at home, he will leave for New York to report to the Whitney stable April 15.

The stars of the Hildreth stable will do most of their racing the remainder of the winter season at the new Arcadia track. Hildreth made some late changes in his plans and instead of sending only a carload of his yearlings down to Los Angeles and having some of the older horses of the stable sent to him later in the week, he decided to have all the stars of his stable, old and young, go at once. He shipped two carloads of horses to the southern track, the consignment consisting of Montgomery, Uncle, Meelick, Rapid Water, Vell, Gene Russell and Tony East. In addition to seven of the most promising yearlings out of his bunch of twenty-eight. The departure of these horses takes away all the glamor that has heretofore attached to the Hildreth stable, for, with Guiding Star the only one in the barn that has ever shown much, and the Crescent City Derby winner a pronounced cripple, the present available racing material in the barn at Oakland is very commonplace. Later, when the two-year-old racing begins, it may be otherwise, for some of the nineteen youngsters left there may prove to be cracks, as all the Hildreth youngsters have shown well in their work.

In taking the step he has taken, Mr. Hildreth disclaims that he is actuated by anything other than a regard for his own interests. He has a lot of money invested in horses and the expenses attached to the running of such a stable as his are enormous. He simply must win races and win frequently, too, and to do that he must race where he can give his horses the work which is necessary to make and keep them fit, and this he cannot do where conditions are such as they have been here and may continue to be much of the winter. He will be able at the Los Angeles track to prepare Montgomery, Uncle and Meelick for their stake engagements at Oakland and it is a sure thing that at least Montgomery and Meelick will be shipped back to fill valuable engagements, the former undoubtedly for the \$10,000 Burns Handicap.

JOCKEY COLES' CHRISTMAS GIFT.

Christmas was a great day for jockey Coles, says the San Francisco Chronicle. It wasn't so much because this dark son of Africa rode the third race at Emeryville, as for some other reasons. When you win and don't know it, and suddenly are awakened to a realization, that, indeed, is the coming true of air castles. It all happened to this little colored nidget, and he was so overjoyed that he let about half the audience into the play and they celebrated with him. The little affair that was not down on the program broke loose in the third. Coles had the leg up on Herodotus. It was the closest kind of a finish, and the judges gave it to Herodotus. But Coles wasn't aware of this. As he jogged back to the judges' stand he took a peek at the number board. "Five" was the winner and "5" was his number. That black face, as solemn as a graven image, broke into convulsions. It was like a summer opening up to reveal the sun's rays, the way Coles broke into smiles, and he demonstrated that it wasn't a smile that would come off by grinning at the race-goers as he walked back to the paddock. The crowd saw the point and cheered with him, so that it was a Merry Christmas all around.

TEXAN-BREDS IN FUTURITY.

G. L. Blackford, of Denison, Texas, has made late entries to the Futurity of 1910. He has made four nominations, all of his own breeding and sired by Lithos. The dams of the four are the mares, Eugenia S., 12-year-old brown mare by Prince of Darkness—Dinez, by Tenison; Lon Hazel, 9-year-old brown mare, by King Regent—Nellie Gray; Paschal, 11-year-old bay mare, by Candlemas—Kinlock, and Lady Hamilton, 14-year-old bay mare, by Buckmaster—Nattie Hamilton, which were all good racers on the turf before going into the stud.

NOTES OF THE TURF.

The Morning Telegraph of New York prints a tip from Hot Springs, Ark., that there will be no racing there this spring, but that the poolrooms there will soon be open again.

C. F. Grady has sold his two-year-old brown filly by Nasturtium—Bon Air II., by Spendthrift, to Raynor & Co. The filly is good sized, well proportioned and has been entered in the Spinaway, Great Filly and Futurity.

The Belgian Revue de Cavalerie estimates the horse population of the world at 80,000,000, of which 41,000,000 are in Europe, 19,000,000 in North America, 11,000,000 in Asia, 6,000,000 in South America, 2,000,000 in Australia and 1,000,000 in Africa.

The best colt in F. J. Farrell's lot of yearlings is the chestnut son of Kinley Mack and Maiden Poem, full-brother to Clark Griffin, which has worked better than 2 1/2 seconds. He has been entered in the National Stallion, Foam, Expectation and Tremont Stakes.

In an accident while going to the November sales in Kentucky, Mary C., eighteen years old, by Billet—Vega, by War Dance, and the dam of Belclair, winner of the Tennessee Derby of 1896, was killed and other mares injured. H. T. Oxnard, of the Blue Ridge Stud, is suing the Adams Express Company in Kentucky for the value of the horses.

ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed; nor will any answers be sent by mail.]

S. S. W., Canton, O. The bet won. C. E. D., Chicago. The bet was a draw, there not being enough "coming" to execute it.

W. J. Riley, St. Louis, Mo. Nothing against Tama's meeting; it will be legitimate and run sixteen days from February 5 to February 22.

H. H. H., Cincinnati, O. Any racing organization has the power to discipline its paid racing officials. As to keeping on or quitting, that is for your personal decision.

R. W. W., Chicago. If a bookmaker chooses to take the bet there is no reason why two or even three horses in the same race may not be parlayed to show. Apparently it was loser.

J. D. C., Spokane, Wash. Salvador holds the American record at a mile over a straight track. Dick Welles and Kiamesia jointly hold the American record at a mile over the form of mile track with turns. There is no such thing as a "world's record" in running. In England several horses have run a mile straight faster than Salvador did. The bet is a draw.

OAKLAND FORM CHART. (OAKLAND.)

THURSDAY, JANUARY 2, 1908. WEATHER CLEAR. TRACK HEAVY.

Presiding Judge, E. C. Hopper. Starter, Richard Dwyer. Secretary, Percy W. Treat.

Racing starts at 1:40 p. m. (Chicago time 3:40 p. m.). W indicates whip, S spurs, B blinkers. Figures in parenthesis following the distance of each race indicate index number, track record, age of horse and weight carried.

72538 FIRST RACE—3 1/4 Mile. (72047—1:11 1/2—3—103.) Purse \$400. 4-year-olds and upward.

Table with 10 columns: Ind, Horses, AWt, PPSt, 1/4, 1/2, 3/4, Str, Fin, Jockeys, Owners, O, H, C, P, S. Races include BOLOMAN, ST. GEORGE JR., NETTING, SWAGGER, DANGEROUS GIRL, HERSAIN, WHISKERS, ISOLATION.

Winner—R. g. by David Tenny—Ella Boland (trained by D. S. Fountain). Went to post at 1:44. At post 3 minutes. Start good. Won easily; second driving; third the same. Boloman, well forward from the start, drew out at the half and won off finally with no serious opposition. St. George Jr. broke slowly, but loomed up promisingly on the last turn and until midway of the stretch, showing vast improvement. Netting, away badly in the inside deep going, closed a big gap in a cracking effort. Dr. Sherman quickly dropped rearward, then closed up steadily in the last half. Swaggar, badly outpaced for the first half, finished gaining fast. Dangerous Girl showed early speed. Hersain was prominent for five furlongs, but failed to stay. The winner was entered for \$600; no bid. Scratched—72288*Transmute, 103.

72539 SECOND RACE—3 1/4 Mile. (72047—1:11 1/2—3—103.) Purse \$400. 4-year-olds and upward.

Table with 10 columns: Ind, Horses, AWt, PPSt, 1/4, 1/2, 3/4, Str, Fin, Jockeys, Owners, O, H, C, P, S. Races include SAM BARBER, LA ROSE, MARVEL P., TAWASENTHA, BELLE KINNEY.

Winner—Ch. g. by Bannockburn—Laura Agnes (trained by F. W. Doss). Went to post at 2:07. At post 3 minutes. Start poor. Won driving; second and third the same. Sam Barber, from a flatfooted start, was seemingly a hopeless trailer for the first half, but came through fast on the inside in the stretch, caught the leaders tiring and got up in the last stride. La Rose, a forward contender throughout, drew out like the winner in the stretch, but succumbed in the final stride. Marvel P. tired finally after strenuous and close contention from the start. Tawasentha, from a flying start, set the pace to the stretch and quit. Belle Kinney, from an inside flatfooted start, steadily improved her position in the deepest going and finally tired badly under a bad ride. The winner, entered for \$600, was bid up to \$900 and bought by A. Martineau, 110; 72448*John H. Sheehan, 110; 72448*Nappa, 105; 72467*Ambitious, 103; 72250 Koenig Lulse, 103; 68249*Hulford, 105.

72540 THIRD RACE—3 1/4 Mile. (70188—3:51—2—115.) Purse \$400. 2-year-olds. Fillies.

Table with 10 columns: Ind, Horses, AWt, PPSt, 1/4, 1/2, 3/4, Str, Fin, Jockeys, Owners, O, H, C, P, S. Races include TRANCE, PATOIS, COPPIT, SEATTLE, MICABELA, LADY MARTINEZ, WINNAKEE, ENGLAND, MABEL FOUNTAIN, GYPSY LASS.

Winner—B. f. by Ben Brush—Fair Vision (trained by O. Johnson). Went to post at 2:35. At post 3 minutes. Start fair. Won easily; second driving; third the same. Trance outbroke and outpaced her opposition decisively. She is a well schooled and true running filly, showing the earmarks of a good one. Patois, away well, ran in forward contention throughout and was very fit. Coppit big, high, short and away poorly, closed a big gap and is a grand looker. Seattle, nearly left, made up much ground under a bad ride and is a beautiful filly. Micabela showed speed, but failed to stay in the stiff going and was palpably unfit.

72541 FOURTH RACE—1 Mile. (69104—1:38 1/2—4—95.) Purse \$500. 4-year-olds and upward.

Table with 10 columns: Ind, Horses, AWt, PPSt, 1/4, 1/2, 3/4, Str, Fin, Jockeys, Owners, O, H, C, P, S. Races include MASSA, BANPOSAL, PULLETT, RED BALL, DOWNPATRICK, LUCIAN.

Winner—Ch. g. by Masetto—Satisfaction (trained by C. Mulholland). Went to post at 2:57. At post 1 minute. Start bad. Won easily; second driving; third the same. Massa set or forced the pace throughout, shook Banposal off decisively in the last quarter and outclassed his opposition. Banposal, suddenly improved, was the only serious contender and showed wonderfully in his speed and stamina while running in the deepest going all the way. Fulcetta, reserved within striking distance in the early running, failed unexpectedly at the end and can do better. Red Ball displayed improved speed and ran prominently for five furlongs. Downpatrick, still unfit, will do to watch.

72542 FIFTH RACE—1 Mile. (69104—1:38 1/2—4—95.) Purse \$400. 4-year-olds and upward.

Table with 10 columns: Ind, Horses, AWt, PPSt, 1/4, 1/2, 3/4, Str, Fin, Jockeys, Owners, O, H, C, P, S. Races include HUERFANO, CAPTAIN HALE, TREASURE SEEKER, MEADA, CHOLK HEDRICK, MISS M. BOWDISH, ACKERLEY, SILVER WEDDING, WATCHFUL, JAKE MOOSE, OF IROQUOIS.

Winner—Br. g. by Eddie Jones—Frodo (trained by H. Rowell). Went to post at 3:24. At post 1 minute. Start fair. Won easily; second driving; third the same. Huerafano beat the barrier and stole a long lead on the first turn, then held sway throughout and probably was lucky. Captain Hale, from a flatfooted start, was carried very wide on the first turn, but closed the gap quickly in the middle running and was a game second. Treasure Seeker broke badly and closed an immense gap in the last six furlongs of a cracking effort. Meada, away badly and forced to the outside on the first turn, made up ground steadily under a bad ride. Cholk Hedrick ran in forward and game pursuit of the winner for seven furlongs and tired. Miss May Bowdish had scant chance at the start. L. C. Ackereley was prominent for seven furlongs. Silver Wedding failed to stay. Belle of Iroquois showed speed for six furlongs and quit badly. The winner, entered for \$700, was bid up to \$800 and bought by A. Coney.

72543 SIXTH RACE—7 1/2 Mile. (59462—1:25 1/2—3—88.) Purse \$400. 3-year-olds. Maidens.

Table with 10 columns: Ind, Horses, AWt, PPSt, 1/4, 1/2, 3/4, Str, Fin, Jockeys, Owners, O, H, C, P, S. Races include NO FATHER, BARDONIA, HAND-DE-DOWN, PAN-DE-ORO, PRINCESSA, BOBBY SHAFTO, DENEEN, SAN GIL, PARASOL, VAN GORDAN, ORSULA.

Winner—B. g. by Fatherless—Elite (trained by J. O'Donnell). Went to post at 3:52. At post 1 minute. Start good. Won driving; second and third the same. No Father, after running within striking distance on the outside, closed up rapidly in the last half and drew out in the stretch, but just lasted long enough. Bardonia was messed about in the deep going on the inside and swerved into defeat finally, but was best. Hand-de-down, away poorly, made up considerable ground. Pan-de-Oro ran in forward contention for six furlongs, is still not keyed up and is a good looker. Last G, nearly left, closed a big gap. Bobby Shafto was shuffled to the rear early. San Gil loomed up well on the last turn, then dropped out.

Overweights—Parasol, 2 pounds.

May Sutton, always close up, came through fast in the stretch under the whip and finished resolutely, but could not get up to the winner.  Winner—Br. g. by Inspector B.—Iowa (trained by W. Gabriel).
 Went to post at 4:16. At post 2 minutes. Start good. Won handily; second and third driving. Invictus was saved until turning out of the backstretch, then, under sharp urging, made up ground gradually and, finishing gamely, won going away. Big Bow came last in the final sixteenth, overhauled Ed Sheridan and outgated him in the final strides. Ed Sheridan set a sharp pace from the start and ran a good race, but tired in the final drive. Gentle Harry showed early speed, but succumbed when an eighth out. Camerones ran fairly well. El Primero finished fast. The winner was entered for \$400; no bid.
 Overweights—Big Bow, 11 pounds; El Primero, 2.

 Winner—Ch. g. by Shapfell—Omega (trained by F. Burlew).
 Went to post at 2:02. At post 1 minute. Start good. Won driving; second and third the same. Shone, lucky at the start, was away fast and, running straight, showed superior speed and outstayed Patriot in the closing strides, winning drawing clear. Patriot was always in closest pursuit and, aided by a clear course, held on well in the closing strides. Roseburg II, probably best, was forced to go wide most of the way and finished with a tremendous rush. Ned Carmack was prominent most of the way and will improve when he realizes what is expected of him. John A. ran green and tired in the stretch. Dick Coghill, on the extreme outside, ran a good race and was forced to go wide. The Slicker suffered from interference. Cuban Boy showed a flash of early speed. Maritza was crowded out of any chance at the start. Sea Swell was thrown directly after the start.
 Scratched—Grotto, 107.
 Overweights—Maritza, 1 pound.

72527 SECOND RACE—Short Course. Steeplechase. (68192—2:54—5—158.) Purse \$400. 4-year-olds and upward. Handicap. Net value to winner \$300.

 Winner—B. g. by the Greek—Frollesome II. (trained by T. L. Pierce).
 Went to post at 2:29. At post 1 minute. Start good. Won easily; second and third driving. Full of Fun, running to his best form and well ridden, raced Profitable into subjection in the first turn of the course and, after a sharp burst to shake off Flying Flover, came away to win with something in reserve. Flying Flover was always in forward and game contention, fenced well and finished resolutely. Dacia, outrun in the early stages, came with a good burst of speed after clearing the last obstacle and finished fast. Dulcian showed improvement, but tired near the end. Profitable tired after showing the most speed for the first round of the field. Killdoe quit at the last two jumps. Buckman was overweighted. Dr. Heard closed a gap from a slow beginning. Creolin was away badly and timidly ridden. Aules unseated his rider at the third jump.
 Overweights—Graceland, 1 pound.

72528 THIRD RACE—5.1.2 Furlongs. (66398—1:054—3—94.) \$400 added. 3-year-olds. Allowances. Net value to winner \$375.
